

Guidelines for doctoral research declaration

The scope of the statement of intent is 1-2 pages written in English.

The letter of intent must contain the following sections:

- 1) Title of the study.
- 2) The name/s of the thesis supervisor/s.
- 3) A brief background that precedes the research hypothesis (1-2 paragraphs explaining the general idea leading to the hypothesis).
- 4) Research hypothesis. (The BIG question)
- 5) Objectives of the study. [The small steps that will be achieved to answer part (or all) of the BIG question].
- 6) General methods for conducting the study. (Techniques that will be used).
- 7) List of References.

*Small changes from this format might be acceptable if reasonable.
